

# 2016 ANNUAL CLINICAL MEETING

Champions for Change in Women's Health:  
Focus on Safety and Quality Improvement

## PROGRAM GUIDE

September 28 - October 1, 2016  
Omni Interlocken Hotel  
Broomfield, Colorado

The activity has been supported by an unrestricted educational grant from Ferring Pharmaceuticals, Inc.

This activity has been supported by an unrestricted educational grant from Cook Medical.

Continuing Medical Education credit is provided through joint providership with The American College of Obstetricians and Gynecologists.

**SOGH** Society of OB/GYN Hospitalists  
Enhancing the Safety and Quality of OB/GYN Hospital Medicine

# WELCOME LETTER FROM THE COURSE DIRECTORS

Dear Colleagues,

Welcome to Boulder and to the Society of OB/GYN Hospitalists 6th Annual Clinical Meeting!

As many of you know, SOGH was founded in 2010 by a group of physicians who shared a passion for improving care for hospitalized women. Due to their vision and the positive impact on outcomes, the hospitalist model in OB/GYN has grown, and SOGH is the organization dedicated to further defining the movement, developing standards, and promoting safety and quality of care. It is our feeling that SOGH members and meeting attendees are forward-thinking practitioners who are well-positioned and motivated to lead improvement initiatives in our hospitals. It is our passion for cultivating you as a leader and as a champion for quality care that inspired us to take on the roles as co-chairs for the SOGH Annual Clinical Meeting for a 2nd year in a row.

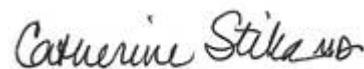

We hope you'll find this year's meeting a well-balanced program that strengthens your clinical competencies, enhances your knowledge of the sciences of safety and quality improvement, and develops your confidence and abilities as a leader. In addition to the stellar courses, we think you'll find great value in the extracurricular programs throughout the conference such as the Luncheon Discussions, the poster competition, and the evening social events. We also want to express our gratitude to our exceptional faculty and to our dedicated planning and simulation committees for their invaluable contributions to this year's conference.

Finally, our thanks to you for choosing to attend the SOGH ACM! We hope you enjoy the meeting and that you, your colleagues, and your patients will benefit from the knowledge you'll gain from your experience here over the next few days.

Sincerely,

**Tanner Colegrove, MD, FACOG**  
2016 SOGH ACM Planning  
Committee Co-Chair

**Cate Stika, MD, FACOG**  
2016 SOGH ACM Planning  
Committee Co-Chair

# COURSE OBJECTIVES

Following the 2016 Society of OB/GYN Hospitalists' Annual Clinical Meeting (SOGH ACM), attendees should be able to:

1

Understand and apply the latest evidence-based recommendations for managing preterm labor, preterm rupture of membranes, 2nd trimester pregnancy loss, DIC, common gynecologic problems such as PID, ectopic pregnancy, and abnormal uterine bleeding, and other challenging clinical situations.

2

Advocate for and contribute to patient safety initiatives in their hospital, with the ultimate goal of preventing adverse events and improving their institution's response to serious events when they occur.

3

Understand the key principles of quality improvement in order to identify opportunities and utilize strategies and resources to impact quality improvement initiatives in their hospital.

4

Connect with colleagues in the field for clinical, career, and research support and mentorship.

5

Promote excellence in inpatient women's health by supporting the evolution of the hospitalist model in Obstetrics and Gynecology.

2

# AGENDA

## SUPPLEMENTAL COURSES

**Wednesday, September 28, 2016** | 1:30 – 4:30 p.m.

**Train the Trainer OB Simulation Course**, *SOGH Simulation Committee*

**Location:** Session will begin in **Fir** and additional simulations will take place in **Birch & Adler** as directed by the Simulation Committee Members.

Course Objectives:

- Learn the nuts and bolts of simulations including how to plan and prepare for low fidelity simulations in your unit
- Practice effective briefing and debriefing with your team
- Practice hands-on simulations
- Review TEAM STEPPS 101
- Know how to facilitate a safe, non-threatening, mutually supportive learning environment for your team

**Advanced Fetal Monitoring**, *M. Sean Esplin, MD*

**Location:** Centennial E

Course Objectives:

- Understand basic fetal physiology with respect to fetal heart rate monitoring
- Understand principles of fetal heart rate interpretation
- Understand appropriate intervention strategies

**Essential Skills for Safe Operative Vaginal Delivery**, *Emmanuelle Paré, MD*  
*and Meg O'Reilly, MD, MPH*

**Location:** Centennial F

Course Objectives:

- Review principles of safe operative vaginal deliveries (forceps and vacuum)
- Acquire and practice the BASIC essential skills for safe application and use of forceps
- Acquire and practice the essential skills for safe application and use of vacuum

**Ultrasound Essentials for the OB/GYN Hospitalist**, *Jeff Dungan, MD*

**Location:** Pine

Course Objectives:

- Define sonographic features of various early pregnancy complications, including ectopic implantation
- Recognize sonographic findings of abnormal placentation
- Interpret transvaginal sonographic assessment of cervical length
- Understand rationale for and steps in assessing amniotic fluid volume in 3<sup>rd</sup> trimester

**Thursday, September 29, 2016 | 8:00 – 11:00 a.m.**

**OB Emergency Simulation Course – Maternal Code, Hypertensive Emergency/Eclampsia & GYN Hemorrhage, SOGH Simulation Committee**

**Location:** Session will begin in **Fir** and additional simulations will take place in **Birch & Adler** as directed by the Simulation Committee Members.

Course Objectives:

- Demonstrate communication skills and teamwork principles essential in the management of obstetric and gynecologic emergencies.
  - SBAR, Call outs, Cross Checks, Closed loop Communication
  - Clear leadership, defined roles
  - Shared Mental model, Situational Awareness
  - Mutual Support, Feedback, Handoff
- Review appropriate management of Maternal Code
- Understand and practice decision analysis for a perimortem Cesarean Delivery
- Understand and apply the New ACOG Guidelines for management of hypertensive crisis and preeclampsia
- Manage an eclamptic seizure with safe delivery of the fetus
- Identify pearls in the management of a gynecologic hemorrhage in the ER
- Apply current treatment recommendations for Gynecologic Hemorrhage
- Develop appropriate communication skills for updating patient and family in an emergency situation
- Feel comfortable with simulation ideas to take back to your own institution

**Advanced Fetal Monitoring, M. Sean Esplin, MD**

**Location:** Centennial E

Course Objectives:

- Understand basic fetal physiology with respect to fetal heart rate monitoring
- Understand principles of fetal heart rate interpretation
- Understand appropriate intervention strategies

**Surgical Skills Stations, Meg O'Reilly, MD, MPH and Oregon Health and Sciences University (OHSU) Team**

**Location:** Centennial F

This course will be comprised of hands-on simulation stations covering: 1. Repair of 3<sup>rd</sup> and 4<sup>th</sup> degree obstetric lacerations; 2. Management of postpartum hemorrhage; 3. Management of shoulder dystocia; 4. Delivery of unplanned breech; and 5. Manual rotation of occiput posterior position.

Course Objectives:

- To review and practice the repair of complicated 3<sup>rd</sup> and 4<sup>th</sup> degree obstetric lacerations using a realistic simulated model
- To learn techniques to manually rotate the occiput posterior fetal head
- To use simulation to learn and practice techniques of vaginal delivery of an unplanned breech including use of piper forceps
- To learn both medical and surgical management of postpartum hemorrhage

**Practice Management for OB/GYN Hospitalists**, Leslie Flores, MHA, SFHM and John Nelson, MD, FACP, MHM

**Location:** Pine

Course Objectives:

- Review how to implement a strategic business planning process for an OB/GYN hospitalist group
- Review how to implement proven strategies for recruiting, onboarding, and retaining a talented team of OB/GYN Hospitalists
- Articulate the key contributors to a health group culture of ownership and engagement, and develop plans for improving your own group's culture
- Understand the drivers of financial success for OBGYN Hospitalist practices, develop a program budget, and read a basic financial statement

11:00 a.m. – 1:30 p.m.

**Visit with Exhibitors, Lunch and Poster Presentations**

The Exhibitor Passport challenge will start at 11:00 a.m. in the Pavilion area. Obtain the signatures of all present exhibitors and return your passport to the SOGH Registration Desk to be entered in the drawing for one of two gift cards.

**Poster Presentations**

Posters will be presented during the break between morning and afternoon sessions from 11:00 a.m. - 1:30 p.m. For more information, see page 16.

**Luncheon Discussions will begin at 12:00 p.m.**

*For more information on the Luncheon Discussions please see page 17.*

**Thursday, September 29, 2016 | 1:30 – 4:30 p.m.**

**OB Emergency Simulation Course – Maternal Code, Hypertensive Emergency/Eclampsia & GYN Hemorrhage, SOGH Simulation Committee**

**Location:** Session will begin in **Fir** and additional simulations will take place in **Birch & Adler** as directed by the Simulation Committee Members.

Course Objectives: *\*please reference the objectives listed on page four for the 8:00 – 11:00 a.m. session*

**OB ACLS, Jennifer Boland, RN, Beth Lambertz-Guimaraes, MSN, RNC-OB, Angela Walker, MSN, RN-BC**

**Location:** Centennial E

Course Objectives:

- Recognize physiologic changes with pregnancy while necessitating the ACLS modifications
- Verbalize appropriate modifications to the ACLS algorithms based on physiological changes
- Identify key elements in communicating with families

**Surgical Skills Stations, Meg O'Reilly, MD, MPH and Oregon Health and Sciences University (OHSU) Team**

**Location:** Centennial F

Course Objectives: *\*please reference the objectives listed on page four for the 8:00 – 11:00 a.m. session.*

**Better Quality Through Better Measurement, Robert Lloyd, PhD\***

**Location:** Pine

Course Objectives:

- Describe the milestones in the quality measurement journey
- Distinguish between data for research, judgment, and improvement
- Identify and build useful measures (operational definitions, sampling, and stratification)
- Understand variation conceptually and statistically
- Using and interpreting run and control charts
- Link measurement efforts to improvement strategies

*\*Please note that this course will end at 5:00 p.m. This course was formerly referred to as "The Science of Improvement."*

**Opening Reception**

**5:45 – 7:15 p.m.**

**Location:** Pavilion Area

*\*Generously provided by OB Hospitalist Group*

# FOCUS ON SAFETY AND QUALITY IMPROVEMENT

All general session lectures will take place in the **Centennial Ballroom** unless otherwise noted.

**Friday, September 30, 2016** | 7:00 a.m. – 5:00 p.m.

**7:00 – 7:40 a.m.**

**Breakfast**, Pavilion/Exhibits Area

**7:40 – 7:45 a.m.**

**Welcome Remarks**, *Tanner Colegrove, MD, FACOG and Catherine Stika, MD, FACOG*

**Preterm Birth Symposium** | **7:45 – 11:50 a.m.**

**7:45 – 8:40 a.m.**

**Preterm Labor – What Works, What Doesn't**, *Brian Mercer, MD*

Course Objectives:

- Review the impact of preterm birth and preterm labor on infant morbidity and mortality
- Discuss the diagnosis of preterm labor and understand its clinical outcomes
- Identify interventions to reduce complications related to preterm labor and birth

**8:40 – 9:35 a.m.**

**PROM: A Gestational Age Based Approach to Diagnosis, Evaluation and Management**,

*Brian Mercer, MD*

Course Objectives:

- Understand the causes and outcomes of premature rupture of the membranes
- Discuss and understand the approach to diagnosis and evaluation of preterm PROM
- Identify interventions to reduce complications of preterm PROM

**9:35 – 10:00 a.m.**

**Mid-morning Break**, Refreshments will be served in the Pavilion/Exhibits area

**10:00 – 10:55 a.m.**

**Perivable Birth**, *Steven Ralston, MD*

Course Objectives:

- Review the data on perinatal outcomes at perviable gestations
- Discuss management options for women at risk for a perviable birth
- Explore ethical issues in the care and management of perviable gestations

**10:55 – 11:50 a.m.**

**Failed Pregnancy in the 2<sup>nd</sup> Trimester: Uterine Evacuation for the 21<sup>st</sup> Century Hospitalist**,

*Cassing Hammond, MD*

Course Objectives:

- Describe the ACOG protocol for 2<sup>nd</sup> trimester medical induction of labor
- Describe the protocol for 2<sup>nd</sup> trimester cervical ripening, using osmotic dilation and chemical ripening agents
- Describe advantages and disadvantages of 2<sup>nd</sup> trimester medical and surgical uterine evacuation

**11:50 a.m. – 1:00 p.m.**

**Lunch and SOGH Business Meeting**

*(all SOGH members are encouraged to attend and participate in the Business Meeting)*

**Location:** Pavilion Area

**Clinical Challenges for the OB/GYN Hospitalist Program | 1:00 – 5:00 p.m.**

**1:00 – 1:55 p.m.**

**Intrapartum Management of Patients with Substance Abuse**, *Mona Prasad, DO, MPH*

Course Objectives:

- Understand the rationale for medication assisted treatment in pregnancy, including common medications, pharmacology and their use
- Understand the role of screening for opiate use disorder in pregnancy in the acute-care setting
- Develop strategies for optimization of intrapartum and postpartum pain control in pregnant women

**1:55 – 2:50 p.m.**

**Complications Associated with Gynecologic Surgery**, *David Mutch, MD*

Course Objectives:

- Understand most common complications associated with gynecologic surgery
- Understand how to prevent complications of gynecologic surgery
- Understand how to recognize and treat complications associated with gynecologic surgery

**2:50 – 3:10 p.m.**

**Afternoon Break, Refreshments will be served in the Pavilion/Exhibits area**

**3:10 – 4:05 p.m.**

**Pain, Bleeding, Cysts, and Twists: Gynecology Consults for the OB/GYN Hospitalist**

*Kristen Matteson, MD, MPH*

Course Objectives:

- Describe the etiologies of acute vaginal bleeding in the non-pregnant woman
- Detail the management of non-pregnant patients presenting with acute uterine bleeding
- Describe the etiologies of acute pelvic pain in a non-pregnant woman
- Detail the evaluation and management of common gynecologic causes of acute pelvic pain in non-pregnant women

**4:05 – 5:00 p.m.**

**What's New in the Blood Component and Pharmacologic Management of Obstetric Hemorrhage, Cynthia Wong, MD**

Course Objectives:

- Describe the characteristics of the coagulopathy associated with obstetric hemorrhage
- Analyze tests of coagulation in the setting of obstetric hemorrhage, including viscoelastic tests (e.g. thrombelastography)
- Articulate data (or lack thereof) supporting fixed blood product transfusion ratios for the treatment of obstetric hemorrhage
- Discuss evidence to support the use of tranexamic acid, recombinant Factor VIIa, fibrinogen concentrate and coagulation factor concentrates in the treatment of obstetric hemorrhage

**5:45 – 6:45 p.m.**

**SOGH Happy Hour**

**Location:** Tap Room

Join fellow meeting participants for an informal networking happy hour in the Omni Interlocken's Tap Room. This is not an official SOGH Event and attendance is optional. Beverages and hors d'oeuvres will be available on a cash/credit card basis.

**6:45 – 7:45 p.m.**

**Controversies in Labor Induction: What is OLD versus What is NEW, Hugh Miller, MD**  
**A Symposium presented by Ferring Pharmaceuticals**

**Location:** Centennial Ballroom

Please note this symposium requires sign-in. This symposium is not eligible for additional CME credits associated with the SOGH Annual Clinical Meeting. You can find more information on page 18.

# Saturday, October 1, 2016 | 7:00 a.m. – 12:45 p.m.

**7:00 – 7:55 a.m.**

**Breakfast and Conversation Café** (*Breakfast will be served outside of the Centennial Ballroom*)  
For more information on the Conversation Café, please see page 18.

**8:00 – 8:10 a.m.**

**Opening Remarks**, *Tanner Colegrove, MD, FACOG and Catherine Stika, MD, FACOG*

**8:10 – 8:30 a.m.**

**Winning Poster Presentation**

## Focus on Safety and Quality Improvement Program | 8:30 a.m. – 12:40 p.m.

**8:30 – 9:25 a.m.**

**Building and Sustaining an OB Patient Safety Program**, *Chris Pettker, MD*

Course Objectives:

- Discuss aspects of a comprehensive effort to reduce obstetric adverse outcomes
- Identify strategies to sustain an obstetric patient safety program
- Review ways to evaluate and measure an OB Patient Safety Program

**9:25 – 10:20 a.m.**

**Getting it Right When Things Go Wrong: Sentinel Events and Root Causes Analysis**,

*Chris Pettker, MD*

Course Objectives:

- Develop a systematic approach to understanding incident and event classification
- Learn key components of event reviews and action plans
- Become equipped to participate in and plan adverse event reviews at your institution

**10:20 – 10:40 a.m.**

**Break, Refreshments will be served in the Centennial Foyer**

**10:40 a.m. – 12:40 p.m.**

**Doing a Quality Improvement Project – From Soup to Nuts**, *Gautham Suresh, MD, DM, MS, FAAP*

Course Objectives:

- List the common frameworks and models used for Quality Improvement projects
- Describe common challenges faced by Quality Improvement teams when attempting to improve the quality of care
- Identify factors that contribute to success and sustainability of Quality Improvement projects

**12:40 – 12:45 p.m.**

**Closing Remarks**, *Tanner Colegrove, MD, FACOG and Catherine Stika, MD, FACOG*

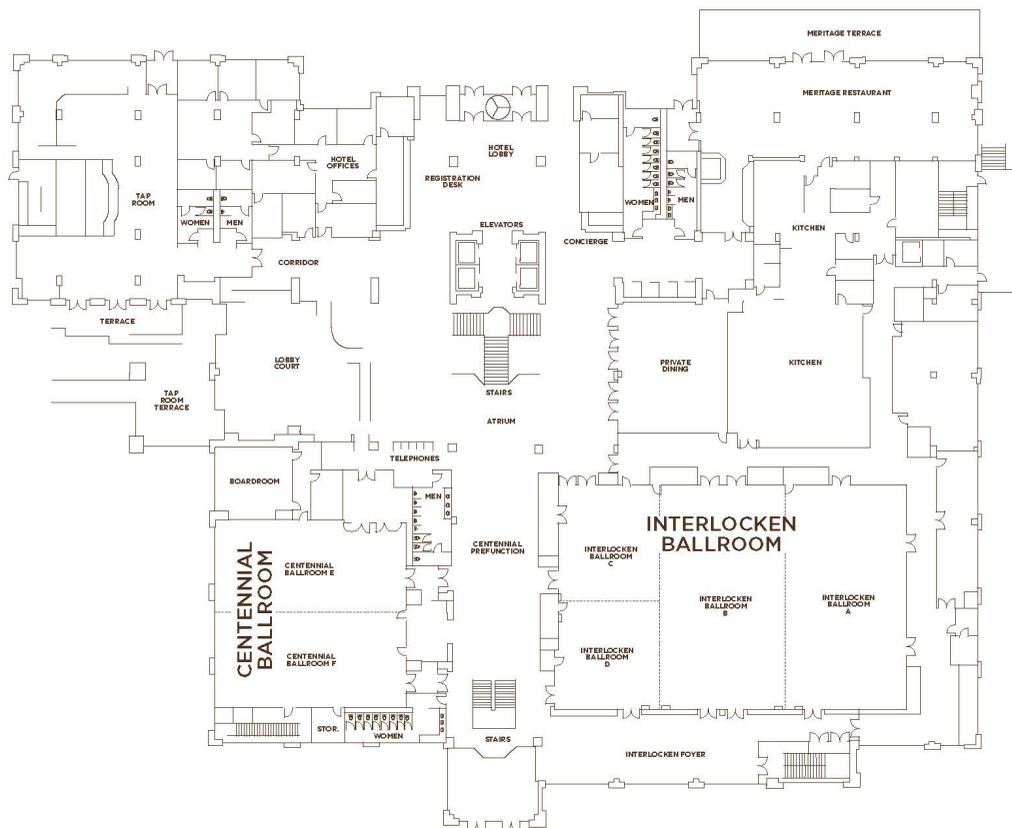

**12:45 p.m.**

**Meeting Concludes**

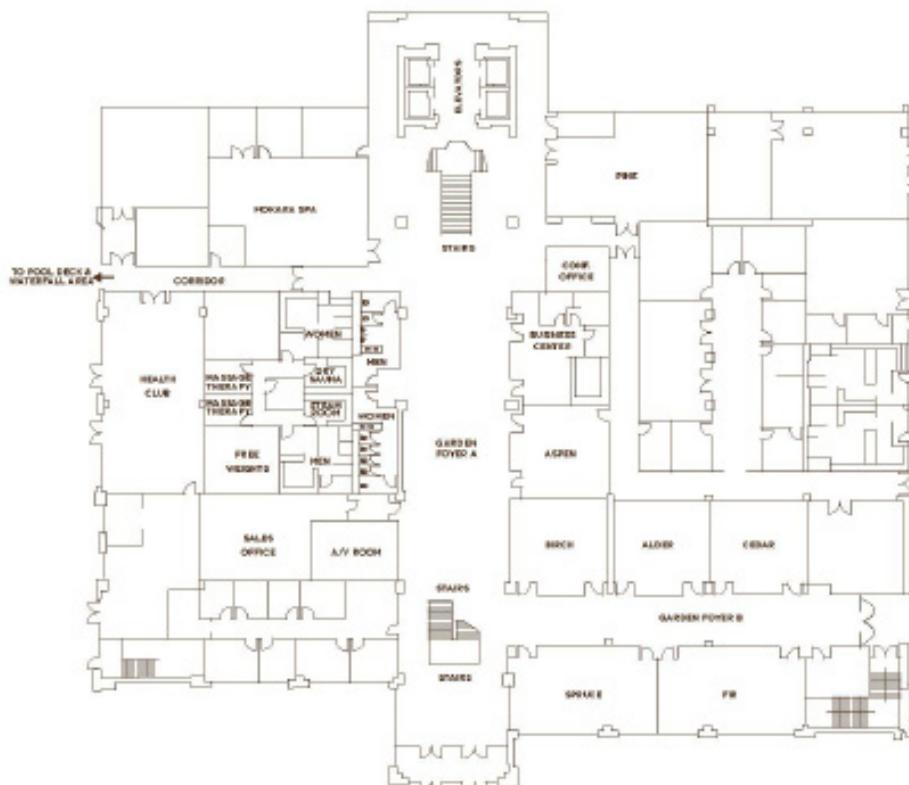

10

*Interlocken First Floor*

*Interlocken Garden Level*

# ACCREDITATION STATEMENTS

## ACCME ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of The American College of Obstetricians and Gynecologists and the Society of OBGYN Hospitalists. The American College of Obstetricians and Gynecologists is accredited by the ACCME to provide continuing medical education for physicians.

## *AMA PRA CATEGORY 1 CREDIT(S)<sup>TM</sup>*

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 21.5 *AMA PRA Category 1 Credits<sup>TM</sup>*. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

## COLLEGE COGNATE CREDIT(S)

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 21.5 Category 1 College Cognate Credits. The College has a reciprocity agreement with the AMA that allows *AMA PRA Category 1 Credits<sup>TM</sup>* to be equivalent to College Cognate Credits.

12

# CREDIT NOTES

The breakdown of the number of credits for each day is as follows:

**Supplemental Courses** September 28 – 29<sup>th</sup>

- Wednesday, September 28, 2016 = 3 credits
- Thursday, September 29, 2016 = 6 credits
  - o AM Courses = 3 credits
  - o PM Courses = 3 credits

**Main Meeting** September 30 – October 1<sup>st</sup>

- Friday, September 30, 2016 = 7.5 credits
- Saturday, October 1, 2016 = 5 credits

## CME EVALUATION INFORMATION:

Continuing Medical Education credit is provided through joint providership with The American College of Obstetricians and Gynecologists.

CME Evaluations will be done through an online evaluation this year. Evaluations can be found at the following link: [https://www.surveymonkey.com/r/soghacm2016CME\\_eval](https://www.surveymonkey.com/r/soghacm2016CME_eval). Attendees should only claim the credit for sessions they attended. **Please complete your CME Evaluation before November 1, 2016 for inclusion in the evaluation summary.**

**Please reference the daily credit breakdown above and in the evaluation when claiming your total credits.**

CME Certificates will be made available once you have completed the online CME Evaluation. If you need to request your CME Certificate, please email [meetings@societyofobgynhospitalists.org](mailto:meetings@societyofobgynhospitalists.org).

### Additional Information:

The ABOG MOC standards now allow participation in ABOG-approved Quality Improvement Projects and Simulations to meet the annual Improvement in Medical Practice (Part IV) MOC requirement. For further information, review the 2016 MOC Bulletin at <http://www.abog.org/bulletins/MOC2016.pdf>.

A maximum of (2) ABOG MOC Part IV credits can be earned at the Annual Clinical Meeting: (1) credit for completing any two of the following six eligible Wednesday, September 28 and Thursday, September 29 courses:

- OB Emergency Simulation • Advanced Fetal Monitoring • Operative Vaginal Delivery • Train the Trainer
- Surgical Skills. • Better Quality Through Better Measurement (formerly called The Science of Improvement)

(1) credit for attending the general meeting on Friday, September 30 and Saturday, October 1<sup>st</sup>.

Attendees who earn 2 credits can apply 1 credit to their 2016 MOC IV requirement and the other to their 2017 MOC IV requirement.

Questions regarding ABOG MOC Part IV credits can be directed to [MOC@abog.org](mailto:MOC@abog.org) or 214-871-1619.

# CLINICAL MEETING FACULTY

**Jennifer Boland, RN**

The Medical Center, Navicent Health  
Macon, Georgia

**Jeffrey Dungan, MD**

Associate Professor in Obstetrics & Gynecology – Clinical Genetics  
Northwestern University Feinberg School of Medicine  
Chicago, Illinois

**M. Sean Esplin, MD**

Professor of Obstetrics & Gynecology, Division of Maternal Fetal Medicine  
University of Utah Health Sciences Center  
Salt Lake City, Utah

**Leslie Flores, MHA, SFHM**

Founding Partner  
Nelson Flores Hospital Medicine Consultants  
La Quita, California

**Cassing Hammond, MD**

Associate Professor in Obstetrics & Gynecology  
Northwestern University Feinberg School of Medicine  
Chicago, Illinois

**Elizabeth Lambertz-Guimaraes, MSN, RNC-OB**

Maternal Outreach Coordinator  
The Medical Center, Navicent Health  
Macon, Georgia

**Robert Lloyd, PhD**

Vice President  
Institute for Healthcare Improvement  
Cambridge, Massachusetts

**Kristen Matteson, MD, MPH**

Associate Professor of Obstetrics & Gynecology  
Warren Alpert Medical School of Brown University  
Providence, RI

**Brian Mercer, MD**

Professor of Obstetrics & Gynecology  
Chairman, Department of Obstetrics & Gynecology  
Case Western Reserve University School of Medicine  
MetroHealth Medical Center  
Cleveland, Ohio

**David Mutch, MD**

Professor of Obstetrics & Gynecology  
Division of Gynecologic Oncology  
Washington University School of Medicine in Saint Louis  
Saint Louis, Missouri

**Brian Mercer, MD**

Professor of Obstetrics & Gynecology  
Chairman, Department of Obstetrics & Gynecology  
Case Western Reserve University School of Medicine  
MetroHealth Medical Center  
Cleveland, Ohio

**David Mutch, MD**

Professor of Obstetrics & Gynecology  
Division of Gynecologic Oncology  
Washington University School of Medicine in Saint Louis  
Saint Louis, Missouri

**John Nelson, MD, FACP, MHM**

Overlake Medical Center  
Nelson Flores Hospital Medicine Consultants  
Bellevue, Washington

**Meg O'Reilly, MD, MPH**

Associate Professor of Obstetrics & Gynecology  
Oregon Health and Science University  
Portland, Oregon

**Emmanuelle Paré, MD**

Assistant Professor of Obstetrics & Gynecology - Maternal Fetal Medicine  
Oregon Health and Science University  
Portland, Oregon

**Christian Pettker, MD**

Associate Professor of Obstetrics & Gynecology  
Division of Maternal Fetal Medicine  
Yale School of Medicine

**Mona Prasad, DO, MPH**

Clinical Associate Professor of Obstetrics & Gynecology  
Division of Maternal Fetal Medicine  
Wexner Medical Center at The Ohio State University  
Mount Carmel Medical Center

**Steven Ralston, MD**

Associate Professor of Obstetrics, Gynecology and Reproductive Biology  
Division of Maternal Fetal Medicine  
Harvard University Medical School  
Beth Israel Deaconess Medical Center

**Gautham Suresh, MD, DM, MS, FAAP**

Professor of Pediatrics  
Section Head, Neonatology  
Baylor College of Medicine  
Houston, Texas

**Angela Walker, MSN, RN-BC**

Nurse Education Specialist at Medical Center of Central Georgia  
Navicent Health  
Milledgeville, Georgia

**Cynthia Wong, MD**

Professor of Anesthesia  
Chairman, Department of Anesthesia  
University of Iowa Hospitals & Clinics  
Iowa City, Iowa

# FACULTY DISCLOSURES

## SOCIETY OF OB/GYN HOSPITALISTS

2016 ANNUAL MEETING  
SEPTEMBER 28 - OCTOBER 1, 2016

### CONFLICT OF INTEREST DISCLOSURE: FACULTY/PLANNING COMMITTEE/REVIEWERS/STAFF

**Jeffrey S. Dungan, MD**

Speakers Bureau and Clinical Advisory Board:  
Sequenom CMM

**M. Sean Esplin, MD**

Scientific advisory board: Sera Prognostics, a company that develops serum screening tests for obstetric complications such as preterm birth.

Stockholder: Sera Prognostics and Sera Prognostics is not involved in any way with the material that will be presented at this meeting.

Scientific Advisory Board: Clinical Innovations. Clinical Innovations is not involved in any way with the material that will be presented at this meeting.

**Cassing Hammond, MD**

IDMC Member: Medicines360

**Karemarie K. Meyer, MD**

OB Hospitalist Group: Employee; University of Illinois School of Medicine-Employee and FacultyMidwest Center for Day Surgery and Management Group-Stock holder  
Society of OB GYN Hospitalists-Board of Directors-unpaid position.

Adventist Health System-spouse-employed physician  
Northwestern University-faculty-unpaid position

**Steven J. Raiston, MD**

Volunteer Member Advisory Board: Planned Parenthood League of MA

All other speakers, planning committee members, reviewers and staff have no conflict of interest to disclose relative to the content of the presentations.

# EXTRACURRICULAR PROGRAMS

## NETWORKING OPPORTUNITIES AT SOGH'S ANNUAL CLINICAL MEETING:

Join fellow OBGYN Hospitalists at the various networking opportunities offered at this year's Annual Clinical Meeting.

**Thursday, September 29, 2016**

### **Step & Connect**

**When:** 6:30 – 7:30 a.m.

**Location:** Lobby Court

Start your day with this unique wellness event! Join fellow SOGH participants and several SOGH Board & Committee Members for a 45 minute walk along the beautiful walking and biking trails of the Omni Interlocken's extensive property and golf courses.

### **Exhibitor Passport**

**When:** Thursday, September 29 – Friday, September 30<sup>th</sup>

**Location:** Pavilion Area

All attendees will receive a Passport to Exhibits upon checking in for the ACM. Visit with the exhibitors throughout the conference from 11:00 a.m. on Thursday, September 29<sup>th</sup> through 3:30 p.m. on Friday, September 30<sup>th</sup> and get the exhibitors' signature on your passport. Get signatures from every exhibitor and turn in your passport to the SOGH Registration Desk to enter our drawing to win one of two \$100 gift cards. Passports must be completed in full to be eligible to win. Be sure to include your name and email address on your passport!

### **Poster Presentations**

**When:** 11:00 – 1:30 p.m.

**Location:** Pavilion Area

SOGH launched the first ever poster competition at the ACM this year. Join fellow attendees in the Pavilion to view the selected posters for display. The winning poster will be announced between lectures on Saturday, October 1<sup>st</sup>.

16

## Luncheon Discussions

**When:** 12:00 p.m.

**Location:** Pavilion Area

If you have not already RSVP'd to this event and selected your preferred table/topic, please do so at the SOGH registration table prior to Thursday. This program aims to promote engaging and robust conversations on hot topics for OB/GYN hospitalists. Moderators and scribes at each table will summarize the main points of these discussions. Ideas, issues, solutions, and questions from these discussions will be shared with the SOGH leadership and membership at large. This a great way for your voice to be heard across the organization!

## Opening Reception

**When:** 5:45 – 7:15 p.m.

**Location:** Pavilion Area

Join fellow OBGYN Hospitalists and exhibitors at the Pavilion for refreshments and light hors d'oeuvres.

*This event is generously provided by OB Hospitalist Group.*

## Friday, September 30, 2016

### Step & Connect

**When:** 6:00 – 7:00 a.m.

**Location:** Lobby Court

Start your day with this unique wellness event! Join fellow SOGH participants and several SOGH Board & Committee Members for a 45 minute walk along the beautiful walking and biking trails of the Omni Interlocken's extensive property and golf courses.

### SOGH Business Meeting

**When:** 12:00 – 1:00 p.m.

**Location:** Pavilion Area

All SOGH members are invited to attend the SOGH Business Meeting during the lunch break. We will review the organization's accomplishments in 2016 and discuss plans for the future. Elections for executive officers and board members will also take place.

### SOGH Happy Hour

**When:** 5:45 – 6:45 p.m.

**Location:** Tap Room

Join fellow meeting participants for an informal networking happy hour in the Omni Interlocken's Tap Room. *This is not an official SOGH Event and attendance is optional. Beverages and hors d'oeuvres will be available on a cash/credit card basis.*

17

## Symposium – Controversies in Labor Induction: What is OLD versus What is NEW with *Dr. Hugh Miller*

**When:** 6:45 – 7:45 p.m.

**Location:** Centennial Ballroom

This event is generously provided by Ferring Pharmaceuticals and will require participant sign-in. Please note that this course does not provide additional CME credit through SOGH and the American College of Obstetricians and Gynecologists.

## Saturday, October 1, 2016

### Conversation Café

**When:** 7:00 – 7:45 a.m.

**Location:** Centennial Ballroom

Join us for a facilitated dialogue on common issues during breakfast on Saturday morning. A moderator and 4 panelists will get the conversations started and then we'll open it to audience participation. Discussion topics will include burnout, relationships/culture surrounding OB/GYN hospitalists, quality metrics and how they impact us, and core competencies.

# SYLLABUS AND PRESENTATIONS:

All course materials for this year's meeting can be found at [www.soghacm2016.org](http://www.soghacm2016.org). Passwords have been assigned to each course. Please refer to the **Things to Know** email you received on September 14<sup>th</sup> for the passwords you will need to access your course materials.

Questions? Please visit the SOGH Staff at the Registration Desk in the Atrium during the times listed below.

**Wednesday, September 28, 2016** 11:30 a.m. – 5:00 p.m.

**Thursday, September 29, 2016** 7:00 a.m. – 5:00 p.m.

**Friday, September 30, 2016** 7:00 a.m. – 5:30 p.m.

**Saturday, October 1, 2016** 6:45 a.m. – 1:00 p.m.

For questions after the conclusion of the conference, please contact [meetings@societyofobgynhospitalists.org](mailto:meetings@societyofobgynhospitalists.org).

18

# Thank you!

Special thanks to the 2016 Annual Clinical Meeting planning committee and the SOGH Simulation Committee! Your contributions to this year's meeting have been invaluable. On behalf of the SOGH Board, the SOGH membership, and all who attended this year's exceptional program, thank you for making this year's meeting a huge success!

## Annual Clinical Meeting Planning Committee Members:

Jen Butler	Trina Pagano
Katie Fung	Swati Shah
Maggie Marcander	Susan Smith
Marsha Matsunaga-Kirgan	Jane Van Dis
Brigid McCue	Gary Wasserman
Meredith Morgan	

## Simulation Committee Members:

**Simulation Committee Co-Chair**  
Ngozi Wexler

**Simulation Committee Co-Chair**  
Vaji Dharmasena

**Simulation Committee Co-Chair**  
Vanessa Torbenson

**Simulation Committee Industry Representative Liason**  
Ralph Magnusson

Robert Brennan	Julie DeMartino	Jeetsna Grover	Emily Newfield	Jennifer Scearce	Valerie Wang
Phillip Bresnan	Dana Faber	Khadeja Haye	Stacy Norton	Karen Schneider	Stephanie Terry
Cherise Cokely	Lynda Gilliam	Carrie Johnson	Ed Ricuarte	Hallie Stosur	Pam Willis

Special thanks to **Samantha Regosch** and **Ethan Gray**, SOGH Meetings Managers, for their dedication to SOGH, the countless hours they contributed to this year's event, and for their endless patience with us as co-chairs for a 2nd year in a row!

And finally an enormous thank you to **SOGH President, Brigid McCue**, for her commitment to not only the SOGH ACM but to the SOGH organization as a whole. You are a tireless leader and an inspiration to us all!

Thank you!

# EXHIBITORS

**CLINICAL INNOVATIONS**  
forMOM. forBABY. forLIFE.

## Clinical Innovations

Since its inception in 1993, Clinical Innovations (CI) has become the largest healthcare manufacturer exclusively focused on labor and delivery.

Already a market leader with The Koala® Intrauterine Pressure Catheter and Kiwi® Vacuum-Assisted Delivery System, CI is expanding its global presence and product offerings to help fulfill its vision of every mom and every baby going home safely. CI is consistently investing in new product ideas where innovation makes a difference. In recent years, CI has introduced traxi® Panniculus Retractor, ROM Plus® Fetal Membranes Rupture Test, Koala Toco® Variable Sensitivity Tocodynamometer, ebb® Complete Tamponade System, and ClearView Total® Uterine Manipulation System. CI is committed to providing market-leading specialty devices such as these to help improve the lives of mothers and babies throughout the world.

## Cook Medical

Cook Medical Reproductive Health provides physicians with a comprehensive offering of medical devices for the reproductive system. Cook Medical is committed to

education, research, and collaboration with physicians to enhance patient care for women and men throughout their reproductive lives, from diagnosis to post-delivery. For more information, please visit [www.cookmedical.com/rh](http://www.cookmedical.com/rh).

## CooperSurgical, Inc.

Since our founding in 1990, CooperSurgical has researched, developed

and manufactured a wide range of trusted brands that have advanced the standard of care for families. Our diversified portfolio of products and services focuses on women's health, fertility and diagnostics. Come visit us at our booth to interact with our industry leading solutions and experience why CooperSurgical is at the forefront of women's health care.

## Ferring Pharmaceuticals, Inc.

Ferring Pharmaceuticals Inc. is a member of the Ferring Pharmaceuticals group, a privately owned, international

pharmaceutical group. Ferring Pharmaceuticals specializes in the research, development and commercialization of compounds in general and pediatric endocrinology, gastroenterology, infertility, obstetrics/gynecology, orthopaedics, and urology.

**FLORIDA HOSPITAL**  
MEDICAL GROUP

## Florida Hospital Medical Group

Florida Hospital Medical

Group (FHMG) is the Orlando area's most comprehensive multi-specialty medical group practice. With more than 470 board-certified physicians and surgeons, our group provides patients with a broad range of medical and surgical services in over 56 medical specialties.

Our neighborhood-based practices are located throughout Central Florida in convenient and easily accessible locations. FHMG doctors and medical team support provide treatment and care for our patients at their practices, as well as at Florida Hospital's ten campuses in Altamonte Springs, Apopka, Celebration, East Orlando, Kissimmee, Orlando, Winter Park and Florida Hospital Waterman in Tavares.

Florida Hospital, one of the largest healthcare providers in the U.S., is seeking to add eight experienced Ob Hospitalists within its Celebration and Altamonte campuses beginning January 2017. Each site delivers over 2400 babies each year. Responsibilities of the Ob Hospitalists include provision of in-house obstetric coverage for unassigned and emergent obstetric patients; act as surgical assist to staff Ob/Gyn physicians upon request; manage and cover the Ob Triage unit; accept and manage maternal transfers; and provide appropriate oversight and clinical teaching of medical students, family medicine residents and other learners.

Please contact Mark Johnson via email for more information: [mark.johnson@fhosp.org](mailto:mark.johnson@fhosp.org)

## Hologic, Inc.

Hologic is committed to improving lives through the development of diagnostics

assays that utilize the latest technology for molecular testing, cervical health screening, cytology preparation and perinatal testing. Visit the Hologic booth to learn more about our NAT tests for STIs and other infectious diseases as well as advancements in instrumentation to help the laboratory streamline workflow. Hologic innovatively blends engineering and science like never before. Come experience the power of the Panther® system, a fully automated platform that provides test consolidation, random access sample loading and proven assay chemistry to deliver high performance and results you can trust. See how we are transforming the Panther system to expand assay menu, amplify production and enhance flexibility. Take a look at the Tomcat® general purpose instrument designed to eliminate the manual sample aliquot of liquid-based cytology samples. Hologic provides diagnostics solutions designed to benefit laboratories, clinicians and the patients they serve.

## KAISER PERMANENTE®

### Kaiser Permanente Group

Within Kaiser Permanente, physicians find recognition, stability, opportunity, and independence. Through our leadership in the use of advance technology, our creation of innovative solutions and our influence on health policy and reform efforts, Kaiser Permanente is helping to shape the future of health care in the nation. Beyond the practice of medicine, our physicians are provided with many personal and professional opportunities, including research, teaching, and participation in leadership activities. In addition, our physicians donate countless hours of their time by volunteering to help the causes of hundreds of community health organizations. Kaiser Permanente delivers:

- An enhanced compensation and benefits package, including potential shareholder status after three years of practice.
- Leadership and management opportunities.
- An integrated health care system emphasizing collaboration and decisions made by physicians.
- Recognition by third party regulatory agencies and outside organizations as the quality leader.
- A long-standing history of stability.

We offer competitive salaries and a generous benefits package. Incentives may be available to you to compensate for experience, training, and geographic choice. We invite you to contact us today to discover how you can become a part of our new, innovative model or practice. <http://physiciancareers.kp.org/ncal>

## Laerdal

helping save lives

### Laerdal

For more than 50 years, healthcare providers and educators have trusted Laerdal

to offer products, services and solutions that help improve patient outcomes and survivability. By supporting the advancement of resuscitation science, improving medical education and strengthening the chain of survival in communities worldwide, we help you save more lives.

### Limbs and Things

Limbs & Things is a leading developer and manufacturer of medical simulation training products for Clinical Skills, Women's Health and the Surgical specialties. Recognized globally for our superior and comprehensive product offering, our

trainers provide a realistic hands-on learning experience for academic and clinical professionals. This year we celebrate 26 years of bringing skills training to life. Our range of products includes simulators for Physical Examination, General Procedural Skills and Specialist Skills. Committed to the improvement of patient safety outcomes, Limbs & Things collaborates with leading clinicians to improve practitioner confidence and meet the curriculum needs of tomorrow's doctors and nurses.

### Locum Leaders

Locum Leaders is a national locum tenens recruiting

firm specializing in hospitalist jobs, emergency medicine jobs, surgery jobs, urgent care jobs, primary care jobs, anesthesiology/CRNA jobs, and psychiatry jobs. We match qualified physicians and CRNAs to temporary jobs at client healthcare facilities. Visit <http://www.locumleaders.com> or call 877-562-8656.

### OB Hospitalist Group

OB Hospitalist Group (OBHG) was founded in 2006 by Dr. Chris Swain, the

original architect of the Obstetric Emergency Department (OBED). Today, OBHG is the largest dedicated OB/GYN hospitalist provider in the nation. We provide highly skilled, Board Certified OB/GYNs 24 hours a day, 365 days a year. Our mission to elevate the quality and safety of women's healthcare is accomplished through providing a unique, comprehensive, financially viable OB/GYN hospitalist program that is making a positive impact in the lives of women, newborns, and their families. OBHG has more than 85 current and on-boarding programs in over 20 states. For more information, please visit [www.OBHG.com](http://www.OBHG.com).

*\*Generous provider of the Opening Reception on Thursday, September 29<sup>th</sup>.*

### Obstetrix Medical Group

Obstetrix Medical Group is a national provider of maternal-fetal medicine and OB/GYN hospitalist programs. Founded

in 1997, Obstetrix Medical Group currently has more than 250 maternal-fetal medicine/OBGYN physicians and 65 advanced practitioners providing care in 17 states across the country. The unique characteristics of Obstetrix, including multiple practices, access to a large volume of complicated pregnancies and ties to neonatal practitioners, provide an unparalleled opportunity to conduct clinical research to advance evidence-based care. Visit [www.obstetrix.com](http://www.obstetrix.com). Obstetrix Medical Group is a division of Mednax, an Equal Opportunity Employer.

### Paradigm Medical Services

Paradigm Medical Systems is proud to be the exclusive distributor of Model-med products in North America.

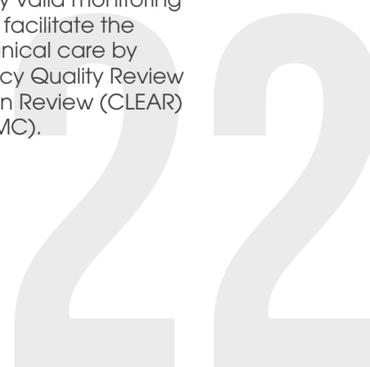

Model-med International specializes in OB/GYN Simulator Models. Model-med products are designed with faithful attention to anatomic detail. All mannequins are carefully manufactured using a soft, highly elastic flesh like material that is durable and easy to clean. Pelvis base units are paired with fetus models in a manner that produce a high level of realism. Model-med customers report that these unique products create a top level learning experience. Model-med and Paradigm look forward to working with you to introduce "Sophie and her Mum" our Full Birth Trainer, "Lucy and her Mum" our Instrumental Delivery Trainer, "Charlie" our OB Trainer and our Gynecological Trainer to your program for simulation education.

### Perinatal Quality Foundation

The Mission of the Perinatal Quality Foundation is to improve the quality of Obstetrical medical services by providing state of the art educational

programs and evidence-based, statistically valid monitoring systems to evaluate current practices and facilitate the transition of emerging technologies into clinical care by providing programs like Nuchal Translucency Quality Review (NTQR), The Cervical Length and Education Review (CLEAR) and The Fetal Monitoring Credentialing (FMC).

### QGenda

QGenda is the industry leader in automated physician scheduling with over 1,500 clients across the United States and Overseas. QGenda provides software as a service that automatically generates optimized physician work schedules to accommodate complex business rules via its high-powered algorithm. QGenda accurately schedules the appropriate medical provider based on his/her skill set, specialty, availability, and preferences. Additionally, QGenda has a great working relationship with many Electronic Medical Record (EMR) software solution companies for bi-directional integration and offers outstanding customer service, on-going support and training. Each scheduled user has the option to sync their QGenda schedules to their personal calendars in addition to downloading the free QGenda app for mobile access. Please stop by the QGenda Booth to learn more or visit us online at [www.QGenda.com](http://www.QGenda.com).

**questcare**  
OBSTETRICS

### Questcare Obstetrics

JOIN US AS WE GROW! Questcare Obstetrics is a patient care organization with a history of demonstrated quality in patient care services, delivering quality medicine since 1996. We achieve quality by designating a team of providers to the hospital to

carry out our mission of improving patient care, safety, and outcomes. We are searching for seasoned, board-certified Ob/Gyn physicians who are passionate and dedicated to providing the highest quality patient services. Questcare provides an environment that fosters growth, advancement, and continuing education. In addition to providing a quality practice environment, we create the flexibility for our physicians to enjoy the life they deserve. For more information about our Ob/Gyn Hospitalist opportunities stop by our booth or email your CV to [obstetrics@questcare.com](mailto:obstetrics@questcare.com).

## TEAMHealth

### TeamHealth

At TeamHealth, our purpose is to perfect our physicians' ability to practice medicine, every day, in everything we do. Through our more than 19,000 affiliated physicians and advanced practice clinicians, TeamHealth offers outsourced emergency medicine, hospital medicine, critical care, anesthesiology, orthopedic hospitalist, acute care surgery, obstetrics and gynecology hospitalist, ambulatory care, post-acute care and medical call center solutions to approximately 3,500 acute and post-acute facilities and physician groups nationwide. Our philosophy is as simple as our goal is singular: we believe better experiences for physicians lead to better outcomes—for patients, hospital partners and physicians alike.

*\*Generous provider of the SOGH ACM 2016 badge holder lanyards.*

### THE DOCTORS COMPANY

### The Doctors Company

The Doctors Company is fiercely committed to defending, protecting, and rewarding the practice of good medicine. Backed by the financial strength of \$4.5 billion in assets and a membership of 76,000 physicians nationwide, The Doctors Company offers physician members a unique combination of insurance coverage features, aggressive claims defense, unrivaled protection, and tangible economic benefits. # BUILD THE CAREER YOU ENVISION

**RESEARCH | EDUCATION | QUALITY & SAFETY | LEADERSHIP  
WORK/LIFE BALANCE | PATIENT CARE | COLLABORATIVE NETWORK**

**What's your idea of ideal? At Obstetrix, you decide.**

We understand that each physician has a different idea of what makes an "ideal" career. Some physicians place a premium on work/life balance. For others, leadership development and growth opportunities are most important.

As a member of the nation's largest provider of maternal-fetal, newborn and pediatric subspecialty care, we help you build the career you envision through our extensive resources and integrated network of neonatologists and MFMs. We understand life changes. Since what you consider ideal today may be different tomorrow, we give you flexibility to adapt as your personal needs and professional interests evolve.

## **Our national medical group offers:**

- Competitive salary and comprehensive benefits package
- Multiple practices across a diverse geographical spread
- Access to a large volume of complicated pregnancies
- Defined shifts that promote work/life balance
- Cross specialty collaboration and networking opportunities

**Opportunities for OBGYN/OB Hospitalists are currently available in Arizona, California, Florida, Tennessee, Texas and Washington.**

# Get a Life...

## ...follow your passion

You're competitive.

You work hard, and you value the freedom to play hard. You've considered the advantages of hospitalist work but aren't quite sure. Perhaps that's because you haven't talked to Ob Hospitalist Group. We've spent 10 years perfecting a practice model designed explicitly around one single specialty — emergent OB medicine.

**See yourself practicing the medicine you desire and living the life you deserve.**

Ob Hospitalist Group is hiring now.  
Contact [Recruiting@OBHG.com](mailto:Recruiting@OBHG.com) or 800.967.2289  
to learn more about the hospitalist lifestyle.
